

Greetings!

Hesed House of Wharton is excited to bring back the Wharton County Backyard Farm Tour on May 2, 2020. This family friendly event is an opportunity for local backyard farmers to open their backyard farms to guests for a casual, educational tour.

This year we plan to expand the festivities with a festival and market at Dinosaur Park. Our goal is to provide an opportunity for vendors, farmers, and guests to connect with each other in a fun, festive atmosphere during the self-guided tour.

We are seeking vendors who:

- Produce and sell foods or products from their own farms.
- Can provide information and education about gardening, poultry, etc.
- Sell gardening/fowl supplies.

Booth space is free and available on a first come, first served basis. Vendors will need to provide their own table, chairs, and canopy/tent. No electricity will be available. Vendors will need to be set up by 8:30 am on May 2nd and remain open until at least 12:00pm. Booths may not be set up the night before.

Please fill out the attached vendor application and return to Hesed House of Wharton via email or USPS.

You may direct any questions regarding vendor applications to Stephanie at hessedhouse.wharton@gmail.com or 979-531-3030.

We're looking forward to the tour!
